

ImpACT Reporting Form

Energy

Reporting related to energy consumption.

Tier 0

1. Description of computing resources and execution time

2. Location of Computing Resources

3. Number of Model Parameters

Tier 1

4. Estimation of Carbon Emissions

Tier 2

5. Estimation of power consumption

Data

Reporting related to data usage (training and inference).

Tier 0

6. Description of dataset.

7. Description of role of human subjects in dataset.

Tier 1

8. General description of how data was generated.

Tier 2

9. Provide full access to data or data generation code.

Application

Reporting related to the use of model source code and artifacts.

Tier 0

10. Description of use and application.

Tier 1

11. Provide access to a harms model.

Tier 2

12. Disclose evolution of work from licensed work.

13. Provide access to source code and any relevant trained model artifacts (e.g. parameters, config).

14. Commitment to provide a slice of the model's input and output data at any time without the need for a specific reason.

Funding

Reporting related to the funding of work

Tier 0

15. Description of funding source:

Mark only one oval.

- ☐ Cannot Disclose
- ☐ Within Institution
- ☐ External
- ☐ None

Tier 1

16. Provide a list of organizations/entities funding work.

Tier 2

17. Provide a detailed record of all funding sources and allocated capital.
